Description :

PDF-666a9 | Conventional wisdom holds that comic books of the post-World War II era are poorly drawn and poorly written publications, notable only for the furor they raised. Contributors to this thoughtful collection, however, demonstrate that these comics constitute complex cultural documents that create a dialogue between mainstream values and alternative beliefs that question or complicate the grand narrat... *Comic Books and the Cold War, 1946-1962: Essays on Graphic Treatment of Communism, the Code and Social Concerns*
