Description :

PDF-4c3c8 | In France, Belgium, and other Francophone countries, comic strips--called bande dessinée or "BD" in French--have long been considered a major art form capable of addressing a host of contemporary issues. Among French-speaking intelligentsia, graphic narratives were deemed worthy of canonization and critical study decades before the academy and the press in the United States embraced comics. The pl... *Drawing France: French Comics and the Republic*
