Description :

PDF-4f778 | In recent years, otaku culture has emerged as one of Japan's major cultural exports and as a genuinely transnational phenomenon. This timely volume investigates how this once marginalized popular culture has come to play a major role in Japan's identity at home and abroad. In the American context, the word otaku is best translated as "geek"—an ardent fan with highly specialized knowledge... *Fandom Unbound: Otaku Culture in a Connected World*
