Description :

PDF-194e7 | In America, comics and comic books have often been associated with adolescent male fantasy—muscle-bound superheroes and scantily clad women. Nonetheless, comics have also been read and enjoyed by girls. While there have been many strong representations of women throughout their history, the comics of today have evolved and matured, becoming a potent medium in which to explore the female experien... *Girls and Their Comics: Finding a Female Voice in Comic Book Narrative*
