Description :

PDF-03619 | Since the creation of the comic book, cases of legal conflict and confusion have often arisen where concepts such as public domain, unincorporated entities and moral rights are involved. As a result, comics creators are frequently concerned about whether they are protecting themselves. There are many questions and no single place to find the answers--that is, until now. Entertaining as it instruct... *The Law for Comic Book Creators: Essential Concepts and Applications*
