Description :

PDF-738a6 | Superman, Spiderman, and the X-Men. To Professor William H. Foster III, comic books are serious stuff and definitely not just for kids. Though many fantastic tales have been told through the pages of comic strips and comic books, some of the most interesting and least told stories, according to Foster, are about the changing image of Black people in American society. If art imitates life, cartoon ... *Looking for a Face Like Mine*
