Description :

PDF-40ab1 | For the better part of three decades romance comics were an American institution. Nearly 6,000 romance comics were published between 1947 and 1977, and there was a time when one of every five comics sold in the U.S. was a romance comic. This is the first book devoted entirely to the rarely studied world of romance comics. The text includes information on several types of romance comics and their c... *Love on the Racks: A History of American Romance Comics*
