Description :

PDF-404bf | For over three decades comics fans and creators have regarded Alan Moore as a titan of the form. With works such as V for Vendetta, The Watchmen and From Hell, Alan has repeatedly staked out new territory, attracting literary plaudits and a mainstream audience far removed from his underground origins. His place in popular culture is now such that major Hollywood players vie to adapt his books for c... *Magic Words: The Extraordinary Life of Alan Moore*
