Description :

PDF-c7438 | People who are trying to solve tough economic, social, and environmental problems often find themselves frustratingly stuck. They can't solve their problems in their current context, which is too unstable or unfair or unsustainable. They can't transform this context on their own—it's too complex to be grasped or shifted by any one person or organization or sector. And the people whose coop... *Transformative Scenario Planning: Working Together to Change the Future*
